

American Lincoln Parts

American Lincoln Parts - The American Lincoln division is presently associated with the Nilfisk Advance Industrial Group located in Plymouth, MN, USA. They specialize in floor cleaning machinery that are recognized in the business as strong and durable machines that satisfies all the requirements of larger infrastructure and heavy industry. American made products; the sales are conducted nation- wide via direct Government sales, national accounts, and authorized distributors.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk-behind version of floor scrubber. Clark has their manufacturing facilities in Springdale Arkansas. These kinds of scrubbers are on the market under the brand name "Encore". American Lincoln can provide warranty service, machinery and parts for these types of scrubbers which carry both the Clarke and Encore logos.

The 7765 floor scrubber model is the choice machine of huge distribution centers like for example Target and Wal-Mart. The 7765 line has earned the respect of several facility managers where results and efficiency make a difference. Recently, this particular floor scrubber model has been utilized by the architects in new construction jobs such as Home Depot's and Lowes Home Improvement Stores. Flooring contractors utilize this sweeper scrubber on site due to the model's utmost performance level and excellent quality for polishing concrete.
