

Advance-Nilfisk Part

Advance-Nilfisk Parts - Think about how tiresome it would really be to clean up your home right after throwing a big party, with out assistance from cleaning machines. Before, when carpets and upholstery had the dirt beat out of them manually; brooms, cleaning cloths and brushes were the leading cleaning supplies back then.

The man who established Nilfisk-Advance, P.A. Fisker, started as an electrical engineer who liked to work on electrical motors. After founding his business during the year 1906, he started to make motors to drive drills, coffee grinders, fans and machine tools. Mr. Fisker's vision from the beginning was to have a global business advertising goods globally.

The Nilfisk C1 was an incredible breakthrough for the cleaning trade. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by a single individual. This creation came in a time where various cleaning equipment were huge and required at least 4 operators, hence, the Nilfisk C1 changed everything and evolved the method we clean forever. The genius behind these first cleaning machines remains unparalleled. Cleaning machines provide a brilliant solution to an existing crisis; things get dirty and have to be cleaned frequently, without a lot of effort.

Slowly, the business Nilfisk-Advance expanded through the years. In the the early part of the nineteen eighties the business grew fast when the business became a part of the NKT Group. With new owners on board, they focused on driving Nilfisk-Advance forward within the industry, aspiring to be an active worldwide player in producing professional cleaning machines. Nilfisk-Advance is currently represented in all parts of the world by gradually acquiring lots of small businesses to be able to develop their product portfolio and presence in new markets. They are proud to present a range of cleaning solutions to meet each and every requirement.
