

## Nissan Forklift Part

Nissan Forklift Parts - Nissan takes great pride in attaining overall client satisfaction, when their customer is experiencing one of their numerous products including cars, trucks, and forklifts. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to providing high value and detail-oriented quality values to their clients. Incorporating a rich heritage combined with strong manufacturing principals, Nissan Forklifts provide some of the best materials handling equipment the industry has to offer.

Nissan Forklifts has a short time ago added a European manufacturing warehouse in Sweden to sustain their worldwide lift truck demands. Committed to offering customer support, the company has four distinct production facilities that permit them to constantly adapt to their customers continually evolving wishes by providing a range of modern ideas and designs.

Nissan Forklift operations for North and South America is based in Marengo, Illinois. Home to a staff of 350 personnel, they are dedicated to the design, fashioning, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this allows sectors of the Nissan Forklift Operation to sustain environmental responsibility by using techniques and procedures that reduce their environmental footprint. These high values remind customers that Nissan operates under the quality seal that their clients command while being an environmentally conscious company.

Nissan is quite convinced that any of their consumers inquiries and client concerns directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized sellers or even going to their Midwestern office, Nissan Forklift Corporation is confident you will be impressed with their warmth and dedication.
